The number of Directors which shall be elected in the forthcoming year will be determined at the Board meeting prior to the Annual Meeting and if no such determination is made, the number of Directors shall be the same as the number of Directors elected at the last annual meeting.

Directors are elected by a majority of the votes cast at the Annual General Meeting. Note that as specified under the Powers and Duties of the Board of Directors, the Board has the authority to appoint a UHCA Voting Member to fill any vacancy until the next AGM.

Removal of a Director

A Director can be removed from the Board by any of the following:

Meetings may be held without notice if a quorum of the Board is present, provided, however, that any business transactions at such meeting shall be ratified at the next regularly called meeting of the Board; otherwise they shall be null and void.

The quorum necessary for the transaction of business at a meeting of the Board may be fixed by the Board and unless so fixed shall be one-half (1/2) of the Board.

Questions arising at any meeting of the Board shall be decided by a majority of the votes cast. All votes at any such meeting shall be taken by ballot if so demanded by any Director present, but if no demand is made, the vote shall be taken in the usual way by assent or dissent. The quorum necessary for the transaction of business at a meeting of the Executive may be fixed by the Executive, and unless so fixed shall be one-half (1/2) of the Executive. Meetings may be held without notice if a quorum of the Executive is present, provided, however, that any resolutions at such meeting shall be ratified at the next regularly called meeting of the Executive; otherwise they shall be null and void.

Questions arising at any Executive meeting shall be decided by a majority of the votes cast. All votes at any such meeting shall be taken by ballot if so demanded by any Executive member present, but if no demand is made, the vote shall be taken in the usual way by assent or dissent. In the case of a tied vote, the motion is defeated.

Executive action

If any matter arises for which it is not reasonable for the Association to wait for a decision by a Board resolution at a properly called Board meeting, and if the decision cannot for reasons of practicality or expediency be made via a unanimous resolution of the Board in writing without the need to hold a meeting, then such a decision can be made instead by the Executive members of the Board. In any such case the decision made by the Executive members must be placed before the whole Board at the next scheduled Board meeting to be ratified, revised, negated, or merely noted as the case may be.

Article 6: Protection of the Board of Directors

Each Director (whether an Executive member or not) holds office with protection from the association. The association indemnifies each Director against all costs or charges that result from any act done in his role as a Director. No Director (whether an Executive member or not) is liable for the acts or omissions of any other Director, Executive member, or employee. No Director is responsible or liable for any loss or damage due to the bankruptcy, insolvency, or wrongful act of any person, firm or corporation dealing with UHCA.

No Director (whether an Executive member or not) is liable for any loss or damage due to an oversight or error in judgment, or by an act or omission in his role as Director, unless the act or omission is due to fraud, dishonesty, or bad faith.

Directors (whether an Executive member or not) can rely on the accuracy of any statement or report prepared by the auditor for the association. Directors are not liable for any loss or damage as a result of relying upon that statement or report.

Article 7: Member Meetings

Special Member Meetings

- (b) on the written request of at least 3 board members or at least 15 voting members.

The request must:

- (i) be directed to the President;
- (ii) state the reason for the Special General Meeting; and
- (iii) set out the motion(s) intended to be submitted to the meeting.

Notice for a Special Member Meeting

The Secretary shall provide notice of a Special General Meeting in the same manner as for an AGM. In addition, the matter to be brought forward at the meeting shall be communicated to members.

Special Member Meeting Agenda

Only the matter(s) set out in the notice for the Special General Meeting may be considered at the Special General Meeting.

Quorum for Member Meetings

A quorum for annual general meetings and special member meetings is 15 Voting Members except if there are fewer than 30 Voting Members of the association then quorum will be at least 50% of the Voting Members. Voting members may be either present or represented by proxy.

If a quorum is present at the start of a meeting but ceases to be present after the meeting has started, the meeting may continue as if a quorum were still present.

If a quorum is not present within thirty (30) minutes of the start of a meeting the chair of the meeting may adjourn the meeting to a time and place announced at the meeting, and in that case only a reasonable effort need be made to notify those Members not present of the time and place to which the meeting is adjourned. If a quorum is again not present at the start of the reconvened meeting, then the meeting may proceed as if a quorum were then present.

Voting at Member Meetings

A show of hands decides every vote at any Member Meeting, unless at least three (3) Voting Members request a written ballot, in which case written ballots shall be used.

If there is a tie vote, the motion is defeated. In calculating the number of votes, abstentions shall not be included, unless the abstentions form the majority of the votes cast, in which case the motion is defeated.

Member Meeting Proxy Voting

Every voting member may appoint a proxy holder, or one or more alternate proxy holders, to attend, act and vote at a member meeting in the manner and to the extent authorized and with the authority conferred by the proxy. A proxy shall be executed in writing. A person appointed proxy holder must be a UHCA member. A proxy shall cease to be effective immediately following the termination of the meeting (or any adjournment thereof) for which it was granted and in any event, no proxy shall be valid after the expiration of twelve (12) months from the date of its execution. A proxy shall be acted upon only if it has been received by the Secretary or the person presiding at the meeting or any adjournment thereof prior to the time of voting. A member may revoke a previously executed and otherwise valid proxy by providing written notice to this effect to the Secretary or person presiding at the meeting or any adjournment thereof, prior to the time of voting.
