Our annual University Heights Community Association BBQ is coming up on Saturday June 17 from 11 to 2 PM at the University School park (south of the school by the playground).

Come out to share a meal with neighbours. UHCA will provide hot dogs, buns and condiments as well as some salads, veggies and chips. There will also be dessert.

Please bring your own dishes if possible to help us reduce our environmental impact, but if you forget UHCA will provide plates, cutlery and napkins if needed.

Farm Stand

Date: May 4, 2023

Time: 10 AM to 1 PM

In partnership with the Foothills Mennonite Church and City of

Calgary, UHCA will again be hosting the Broxburn Farm Stand. It runs each Thursday from May 4 to end of September (sometimes longer, depending on weather) from 10 AM to 1 PM at the Foothills Mennonite Church parking lot.

You can also order in advance and pick-up on Thursdays. This works well if you can not attend but know a neighbour is and they can collect the order on your behalf!

COMMUNITY CLEANUP AND DONATIONS

UHCA has teamed up with the City of Calgary and Westmount Charter to provide three packer trucks with crews (all three trucks are for waste again this year). This is a free service for all Calgarians.

SUNDAY, APRIL 30th, 2023
9 AM to 2 PM
Westmount School parking lot
2215 Uxbridge Drive N.W.

Usable items will be redirected **ON SITE** to our partners, The Drop-In Centre's Free Good Program and MEOW Foundation. No need to make 2 trips, just bring everything to the clean-up!
(<https://calgarydropin.ca/howwehelp/free-goods-program/>) Please visit our website for a list of items that are accepted.

No yard waste (organics truck not provided), however from April 14 - May 28, you may take yard waste to a City Landfill free of charge! Loads should only have leaves, branches, plants and grass clippings. See organics options here (<https://www.calgary.ca/waste/drop-off/yard-waste.html>).

PCL is also providing a metals recycling bin for the clean-up. Last year they helped redirect a significant amount of metal from the landfill and by providing an onsite bin, the impact can be even greater.

We love support from our community! Volunteers are needed, to help out please contact Andrea at andrea@uhcacalgary.org and indicate your preference of shift time (8:30-11:30, 11:30 to 2:30) and position (directing traffic or unloading vehicles)

Soup Truck! Hosted by Calgary-Varsity Alberta Party MLA candidate Dr. Angela Grace, the No Fixed Address soup truck will be on site. www.nofixedaddress.ca

Items that are not accepted:
