

IT'S HERE: OUR SECOND ANNUAL COMMUNITY CLEANUP!

Each year, the City of Calgary Waste Recycling Services and Community Standards partner with community associations such as ours to help residents rid themselves of unwanted household items and property waste. This saves a trip to the landfill for items that don't fit waste carts or for residents who don't have cart service. UHCA has teamed up with the city to provide three packer trucks with crews (all three trucks are for waste this year). This is a free service for all Calgarians.

SAT APRIL 23rd, 2022
9 a.m. to 2 p.m.
Westmount School parking lot
2215 Uxbridge Drive N.W.

Please follow us on social media or check out our website at www.uhcacalgary.org for more details and updates.

Changes to this year's clean-up include:
