**Subject:** Stadium Shopping Centre- Heads Up

Hi Guys,

Just a quick heads up on a meeting which Ald. Hodges called with Chad and I today. He was looking for basic information around the proposal, we provided him a copy of the discussion document (November 2011 version provided by Shelley). Not much really came of it, but as a heads up he may be circling around with you to discuss.

Let me know if you have any questions,

Jenn

PS Have a good weekend dudes.....
