Thom, Des, Paul,

We just spent two days in a planning session with RTKL, Zeidler, O2, and DA Watt for Stadium. I would really like to set up a meeting (Tuesday afternoon) to discuss some of the things that came up and show you some of the sketching work that was done. I would hope that we could all be there so that we could discuss the format of the workshop on Thursday and some key items that key items we are concerned about. Let me know when you have a moment.

Thanks.

Mike
