Hi Shelley,

Thanks for the reply. Has a date been set for the GM's meeting?

We have had difficulty securing a meeting time with the church and at this time do not have one set up. As promised, we will let you know when the meeting will happen.

We will liaise directly with Mark Sasges in pursuing the MR land appraisal.

Have a good weekend,

Brian

Hi Brian,

The meeting with the GMs is a closed committee meeting. I will provide an update once it has occurred. At present, the item has been taken by our Director to Rollin Stanley at a departmental scrum for discussion.

Mark Sasges will assist you with the MR Land appraisal process and will be in contact.

Can you please advise when a meeting will occur with the neighbouring stakeholders; the church and the school? This was an action item from our design session – just following up as The City would like to attend.

Thanks,

Shelley
