

## THINGS TO REMEMBER

### FAIR PLAY CODE

ALL Parents or Players need to fill out the Fairplay Pledge forms!

### UNIFORMS

Shin Pads are mandatory.

Red Soccer socks are highly recommended, this helps the referee's keep track of the last person to touch the ball.

### OUTERWEAR

Please layer clothing so that the players can regulate their heat better.

### SNACKS & JUICE & WATER

We will create a Snack and Juice schedule that hopefully we can have a parent administer.

The kids will enjoy the refreshments at the end of each session.

Each player should bring his/her own waterbottle as well.

### WEATHER

Hopefully we can get someone to volunteer to call/e-mail the various parents should we need to cancel games or to pass on any other timely and important information. This year we intend to get to the soccer field to cancel the practise or game, unless on specific instances
